I have a few parcels that bear further investigation (bldg SF changes) so I think I will need one more day.

I have been out for a few days due to the death of a close friend and related arrangements/family issues; however, I expect to submit the 2018 levy tomorrow. I'm reviewing all parcels, but thus far, relatively few of our approx. 350 parcels have changed (primarily + or - bldg SF recordation) so hopefully Clerk's review will not be burdensome.

We are not increasing assessments in 2018.

I am working on it. I had a very atypical delay in getting updated data from the Assessor (I requested on June 4th, after our first conversation about it.) I just got it this week. I hope to finish by next Weds if things go smoothly!

Thank you, Rita. We will undertake this.

This work comes at a cost, so I would reiterate our desire to work with the Clerk in any way possible to release BID funds as expeditiously as possible.

Good Morning,

The attached letter is notice of the need to submit the Venice Beach BID's property owners' database for the 2018 assessment. The database is needed in order to submit to the County for inclusion in the 2018 tax rolls.

Also attached is a template of the format in which the data is to be submitted. Hard copies will be mailed via USPS.

Thank you and let me know if you have any questions.

Rita
